

# THE NASHDALE TRAIL

# Support Local

In tough times like these every cent that we spend counts and of course, as a notoriously supportive bunch, we all want to help each other but sometimes it's tricky to know where to buy and how to help. We've compiled this directory so that when you're making a buying decision you can check here first and help support one of the clever local businesses where you can.

We hope you find this a useful resource.

If you would like to be included in the Nashdale Trail please email the school ([nashdale-p.school@det.nsw.edu.au](mailto:nashdale-p.school@det.nsw.edu.au)) with;

- subject heading NASHDALE TRAIL
- a graphic or logo of your business
- a short paragraph describing what your business offers
- contact details (eg - website, social media, contact numbers) for further information.

We will then make updates regularly to have your submissions included.

Please spread the word and encourage other great local businesses you know to get involved.

Thank you to Claire Fox from Roadtrip Creative for compiling this directory.
